

To The End Of The Road

Johnny Reid

Spend a lot of time
Beatin down doors
Livin on a dream
Sleepin on floors
Waitin on my day
Knowin it'll come
Trusting my faith
For pushing me along
Shoulder to the wheel
Wind in my heels
Keeping on keeping on
To the end of the road
Never needed much
Whole lot of livin means
Pair of workin boots
Jingle in my jeans
Treating everyday like it be my last
Lookin straight ahead never lookin back
Shoulder to the wheel
Wind in my heels
Keeping on keeping on
To the end of the road
To the end of the road
Taking every step
One step at a time
Rolling with the flow
Following the signs
Never stop believing what I was born to do
Giving everything
Leaving nothing to lose
Shoulder to the wheel
Wind in my heels
Keep on keeping on
To the end of the road
To the end of the road
To the end of the road
Hey! Hey!
Spend a lot of time
Beatin down doors

Sleepin on floors
Waitin on my day
Knowing it'll come
Trushin my faith
For pushing me along
Shoulder to the wheel
Wind in my heels
Keep on keeping on
To the end of the road
Yeah
To the end of the road
To the end of the road
To the end of the road
Yeah
To the end of the road
To the end of the road
To the end of the road
That's where I'm gonna go
To the end of the road
To the end of the road
