Ivy Parker

Boy Kill Boy

Waking to the same sound
This friend of mine
This morning it seems to me
I'm wasting my timeSo this fight has just begun
This war she says that I'm scared, of scared ofI try to keep quiet
I try to keep quiet
I try to keep quiet
I try to keep quietSo this fight has just begun
This war they say that I'm scared of, scared of, scared of, scared ofMaybe we could break down
From time to time
This distance is new to me
This pleasures not mineSo this fight has just begun,
This war she says that I'm scared of, scared ofI try to keep quiet
I try to keep quiet
I try to keep quiet
I try to keep quietSo this fight has just begun
This war they say that I'm scared of, scared of, scared of, scared ofI try to keep quiet
I try to keep quiet
I try to keep quiet
I try to keep quiet
