Watching You

Shakra

Don't start a fire - And walk away
Only for the thrill of looking at the flamesDon't fake desire - And turn away
Only for the fun of playing fancy gamesYou know by now that hearts can break
And that's much more than I can take
Just be awareI'LL KEEP AN EYE ON YOU
I'LL KEEP AN EYE ON YOUDon't play the music - If you don't dance
There is more to love than just a brief romanceDon't place an order - If you don't pay
Whisper words of love when you just wanna playYou know by now that hearts can break
And that's much more than I can take
Just be awareI'LL KEEP AN EYE ON YOU
I'LL KEEP AN EYE ON YOU
I'M WATCHING YOU NOW
