

Harvest For The World

The Isley Brothers

Gather everyman, gather everywoman
Celebrate your lives, give thanks for your children
When will there be a harvest for all the people
When will there be a harvest for all the world
Harvest for the world

All babies together, everyone a seed
Half of us are satisfied, half of us in need
LoveÂ´s bountiful in us, tarnished by our greed
When will there be a harvest for the world

A nation planted, so concerned with gain
As the seasons come and go, greater grows the pain
And far too many feelinÂ´ the strain
When will there be a harvest for the world

Gather everyman, gather everywoman
Celebrate your lives, give thanks for your children
Gather everyone, gather all together
Overlooking none, hopinÂ´ life gets better for the world

Dress me up for battle, when all I want is peace
Those of us who pay the price, come home with the least
Nation after nation, turning into beast
When will there be a harvest for the world
