

Firefly

Saves the Day

I said I'd walk you home after our third round
Of pouring whiskey down the barrel of our guts
I grabbed hold of your hand.
We're up and we're out and we're yelling through the streets
And I'm out of my fucking mind
And I know you're next to me but I must confess what's in my head
Keep pumping now, legs to beat the ground
and our hearts to beat the band
The sky's on fire again, run down this alleyway
Lightning bolts again, we become fireflies just flashing at the air
Rattle garbage cans prepare to be ravaged
By our lust burning mad, the fire that we've become
And I know you're under me but I must confess what's in my head
To me you are the light from a light bulb,
breaks sometimes
And the tender warmth inside is released into my life
'Cause to me you are the light from a light bulb, breaks sometimes
And the tender warmth inside is released into my life
And it smothers me in flames that lick and scorch my face
As the smoke reaches the sky, know I'm burning tonight
Know I'm burning tonight
Know I'm burning tonight
Know I'll burn for you tonight
