

Detlef Schrempf (Live Acoustic)

Band of Horses

And take a little walk when the worst is to come
When I saw you looking like I never thought
And say you're at a loss or forgot that words can do more than harm
And the town is gonna talk, where as people
do not
See things through to the very minimal
But what's it gonna cost to be gone?
If we see you like I hoped we never would
When eyes can't look at you any other way,
Any other way, any other way
When eyes can't look at you any other way,
Any other way, any other way
So take it as a song or a lesson to learn
And sometime soon be better than you were
If you say you're gonna go, then be careful
And watch how you treat every living soul
