All I'll Ever Ask

Freddie Jackson & Najee

Love means so many different things
But you're all that matters
And this is all I'll ever ask of youTell me your dreams, so they can be mine too
Let me be there to help them come trueTell me your fears, when you feel afraid
Come to my arms let me rock them awayThat's all I'll ever ask,
That's all I'll ever ask, That's all I'll ever ask
Of you
Come to my shoulder when you need to weep
Wake me up, when you cannot sleepTalk to me, when you want to be heard
Be silent with me, when you can't say a wordThat's all I'll ever ask, That's all I'll ever ask,
That's all I'll ever ask
Of youI can't swear you'll never have to cry another tear
But when ever you want someone to hold you
I'm always right hereSo just come to me for anything at all
Call my name, it's yours to call
Feel my faith in you when you can't find your own
And always remember you're never aloneThat's all I'll ever ask, That's all I'll ever ask,
That's all I'll ever ask
Of you
