

# Heavy Duty (feat. Keith Emerson)

## Spinal Tap

No light fantastic ever crosses my mind  
That meditation stuff can make you go blind  
Just crank that volume to the point of pain  
Why waste good music on a brainHeavy, duty

Heavy duty rock and roll

Heavy, duty

Brings out the duty in my soulI see you dancin' there in front of the band

You're playin' those solos with no guitar in your hand  
I don't pull no punches, I wouldn't waste your time  
And just 'cause it pays, that ain't no crimeHeavy, duty

Heavy duty rock and roll

Heavy, duty

Brings out the duty in my soulI don't need a woman, I won't take me no wife

I got the rock and roll and that'll be my life  
No page in history baby that I don't need  
I just wanna make some eardrums bleedHeavy, duty

Heavy duty rock and roll

Heavy, duty

Brings out the duty in my soul
