

Girlfriend (Krucial/Keys Sista Mix)

Alicia Keys

May be silly for me to feel this way about you and her
'Cause I know she's been such a good friend
I know she has helped you throughTalkin' late on the phone
Every night you've been callin'
Private moments alone
And your heart soon be fallin'
And I know she's a friend
But I can't shake the feeling
That I could be losing your heartI think I'm jealous of your girlfriend
Although she's just a girl that is your friend
I think I'm jealous of your girlfriend
She shares a special part of youYou said that she's one well to see
How deep you're in love with me
And intentions were not to get in between
But I see possibilitiesAnd you say that you feel
I'm the best thing in your life
And I know it's real, I see it in your eyes
There's no reason for me to even feel this way
I know you just enjoy her companyI think I'm jealous of your girlfriend
Although she's just a girl that is your friend
I think I'm jealous of your girlfriend
She shares a special part of youI think I'm jealous of your girlfriend
Although she's just a girl that is your friend
I think I'm jealous of your girlfriend
She shares a special part of youSo you're jealous, but you can't tell me why
So you're jealous, but you can't tell me why
So you're jealous, but you can't tell me why
So you're jealous, but you can't tell me why
So you're jealous, but you can't tell me why
So you're jealous, but you can't tell me why
So you're jealous, but you can't tell me why, oh ohI think I'm jealous of your girlfriend
Although she's just a girl that is your friend
I think I'm jealous of your girlfriend
She shares a special part of you
