

# Hanging On

## Falling In Reverse

Last night I dreamed of you again  
You swim your way up through my veins  
Into my soul until you've reached my brain  
You are the greatest part of me  
So if dreaming's the only time you're near  
Then waking up will be my nightmare And at that very moment I jumped out of my bed  
Trying to remember all the things you said  
"Ronnie, I adore you, but nothing really lasts forever" You gotta let me know  
Don't leave me hanging  
And complicate it  
All we are is setting ourselves up to fall apart  
Don't leave me hanging on I am a lesson you will learn  
I'd take away your pain and hurt  
But I'm not strong enough to be your cure  
I am the battle you will lose  
You think that you are saving me  
But I'm the one that's saving you so And at that very moment you appeared in my bed  
Looked you in your eyes and then I finally said  
"Baby, I adore you, but this ain't gonna last forever" You gotta let me know  
Don't leave me hanging  
And complicate it  
All we are is setting ourselves up to fall apart  
Don't leave me hanging on This is all I have to offer  
Sacrifice me on your altar  
Like a lamb to the slaughter  
Slit my throat, I'll die with honor  
This is all I have to offer  
Sacrifice me on your altar  
Like a lamb to the slaughter  
Slit my throat, I'll die with honor  
Slit my throat, I'll die with honor Don't leave me hanging  
And complicate it  
All we are is setting ourselves up to fall apart  
Don't leave me hanging on This is all I have to offer  
Sacrifice me on your altar  
Like a lamb to the slaughter  
Slit my throat, I'll die with honor  
This is all I have to offer  
Sacrifice me on your altar

Like a lamb to the slaughter  
Slit my throat, I'll die with honorDon't leave me hanging on  
Don't leave me hanging on
