

# The Rose Of Tears

## Dark At Dawn

Futures' light  
Shines upon us  
In a rainy night  
    Only one  
    Little answer  
Hides behind your velvet eyes  
    Lack of love  
    Doesn't hinder  
Men from doing what they please  
    But just one  
    Little answer  
Tells a victory from defeatSmile for me, my rose of tearsYou're fading on my mind  
    Be the one to guide me home  
    Or leave me far behind  
Shine on through like fadings stars  
    But slowly is the light  
Before we see their flame has died  
A thousand years go byIn my eyes
