

# Virtual Friend

Armin Van Buuren

Autumn leaves we treat as litter  
People living on a bench  
Childhood friends who lost contact  
Fallen soldiers in a trench  
By the way are you watching  
How the world says goodbye?  
Autumn leaves we treat as litter  
People living on a bench  
Childhood friends who lost contact  
Fallen soldiers in a trench  
By the way are you watching  
How the world says goodbye?  
Plastic islands in the ocean  
Violent storms drop atom bombs  
Hidden women walking slowly  
Desperate men sing sacred songs  
By the way are you watching  
How the world says goodbye?  
By the way are you watching  
How the world says goodbye?  
City boy selling countries  
Surgeons lifting second skin  
Sitting by software windows  
Trying to find a virtual friend  
By the way are you watching  
How the world says goodbye?
