[Diamond]

Stiletto pumps, in da club (yeah),  
Stilettos pumps, in da club (yeah)

[Princess]

Homegirl, Look out when you see me,  
Because i'm coming up fresh,  
Right with tha realest, ya feel this?  
So you should call me tha best,  
I can look jazzy and nicely wit my stiletto heels on,  
But if a ho say something,  
Trust me den her hair will get thrown,  
I'm turnin head left and right,  
Soon as you see one foot step out the car,  
Strollin thro da club,  
Then i make my way right by the bar,  
Yeah yo nigga eyein me,  
I take him from you so watch out,  
I'm lookin' Jazzy actin' classy, but i gotta sassy mouth,  
Hair is done, and nails are too,  
And i match from head to toe,  
And ta top it off, I'm rockin 6 inch black stilettos ho,  
Different color everyday,  
They just match the mood I'm in,  
Silver, red, grey and black,  
Looking this good should be a sin

[Chorus]

Stiletto pumps, in the club,  
Whoeva thought that these girls would get crunk,  
Stiletto pumps, in tha club,  
Whoeva thought that these girls would get crunk  
We rockin stilettos ho [x8]

[aiesha]

Stiletto's on my feet  
I'm sexy wit a mug,

I'm buckin' all you hatas just to see if you crunk,  
We swangin, throwin bows,  
Cause ya boys thought we soft,  
I'm knockin heads off,  
I'm da baddest of dem all,  
Makin niggas fall,  
They fightin and tustlin,

Club owna scared that the girls might start bustin,  
We crunk and we thuggin,  
We take it in public,  
This if for the girls in the trap steady hustlin

[Chorus]

[Diamond]

I know you want a second look,  
But picture isn't necessary,  
Diamond be ma name and by da looks girl you aint even ready,  
Wit ma dickies 2 pieced,  
And my hair caught propped to da otha side,  
Pink and white interior inside ma drop top chevy ride,  
Killin all these hatas, cause they know i got stilettos on,  
Yo nigga tried ta holla, but the pimpin here is way too strong,  
I'm known fa breakin pockets, i can walk it like i talk it,  
Got some prada in ma closet cant no hata here to stop it,  
I'ma put this shit up on tha map, cause ATL is where i be,  
I got ma girl Aiesha and Princess on tha shoppin spree,  
I'ma get 'em fo' they goodies and gettin richer aint no pitty,  
I'm the reason why they heard it,  
I'm tha baddest in the city....  
Yeah ho...

[Chorus]
