America

Neil Diamond

Far
We've been traveling far
Without a home
But not without a star
Free
Only want to be free
We huddle close
Hang on to a dreamOn the boats and on the planes
They're coming to America
Never looking back again
They're coming to AmericaHome, don't it seem so far away
Oh, we're traveling light today
In the eye of the storm
In the eye of the stormHome, to a new and a shiny place
Make our bed, and we'll say our grace
Freedom's light burning warm
Freedom's light burning warmEverywhere around the world
They're coming to America
Every time that flag's unfurled
They're coming to AmericaGot a dream to take them there
They're coming to America
Got a dream they've come to share
They're coming to AmericaThey're coming to America
They're coming to America
They're coming to America
They're coming to America
Today, today, today, today, todayMy country 'tis of thee
Today
Sweet land of liberty
Today
Of thee I sing
Today
Of thee I sing
Today
