

Song and Dance Man

[Jason Collett](#)

I was a paperboy back when there was paperboys
But stores and record shops
I made the conver but I can't pay the bank
What's more important is building a brandEverybody clap your hands for the song and dance man
Everybody clap your hands for the song and dance manThere's a handful of pennies
Kickstart some things
If you can tweet something brilliant
You got a market in plan
Tingling and jingling
Living in a van
If we can just sell some t-shirts
We could pay for the gasEverybody clap your hands for the song and dance man
Everybody clap your hands for the song and dance man
Everybody clap your hands, I'm a song and dance manMan of the future has swallowed the past
There's one step forward and two steps backEverybody clap your hands for the song and dance man
Everybody clap your hands for the song and dance man
Everybody clap your hands, I'm a song and dance man
Everybody clap your hands for the song and dance manYou gotta do what you can
When you're the song and dance man
