

Ghost

The Acid

I wanna know you
ghost

I wanna touch you
ghost

I wanna feel you
ghost

My Mona Lisa
ghost

I wanna love you
love

I wanna feel you
love

my mona lisa
love

my mona lisa
ghost

call me in the darkness
fill me with a whirlwind

touch me in the coast
feed me underwater

pull me into darkness
fill me with a whirlwind

touch me in the coast
feed me underwater

My Mona Lisa
ghost

my Mona Lisa
ghost
