Bridey's Song

Cam Henderson

Tucked her in and I said good night
Sweet dreams donâ€™t let the bed bugs bite
Lullaby and I hold her tight
My little girlâ€™s going nighty night
My little girlâ€™s going nighty night

Sheâ€™s only dreaming of days gone by
Only good things on her little mind
Nothing hurtful no thoughts unkind
Crossed her little mind

Tucked her in and I said good night
Sweet dreams donâ€™t let the bed bugs bite
Lullaby and I hold her tight
My little girlâ€™s going nighty night
My little girlâ€™s going nighty night

And a hand wraps tight around my little finger
I think of words think of rhymes that Iâ€™d like to sing her
Then it dawns on me Iâ€™ll have to bring her
Bring her up right

Tucked her in and I said good night
Sweet dreams donâ€™t let the bed bugs bite
Lullaby and I hold her tight
My little girlâ€™s going nighty night
My little girlâ€™s going nighty night
