

# The Sugar Shack (Dirty Disco Airplay Edit)

## Tami

Baby you've been gone a while  
I need you here to make me smile  
    Baby come back  
    To the Sugar Shack  
    Still got your number  
    Its on the wall  
    Starting to wonder  
    When you'll call  
    You know where I'm at  
    In the Sugar Shack  
It ain't the same without you here  
I ain't ashamed of my salty tears  
Down by the water Out in the woods  
    You make it better  
    You make it good  
    This ain't no shelter  
    This ain't no home  
    No kinda place to be alone  
Baby come back To the Sugar Shack I don't know how long  
I can keep holding on and on and on  
    Oh oh  
    She got you thinking  
    Your safe with her  
    She ain't as tasty as my sugar  
    I want you back  
    At the Sugar Shack  
You got me crawling across the floor  
You got me wanting more and more  
    And more  
In my Sugar Shack It aint the same without you here  
I aint ashamed of my salty tears  
Down by the water Out in the woods  
    You make it better  
    You make it good  
    Shu shu shu shu  
    Shu shu oh Sugar Sugar  
    This ain't no shelter  
    This ain't no home  
    No kinda place to be alone

Baby come back  
To the Sugar Shack  
Baby come back  
To the Sugar Shack  
Baby come back  
Oh Oh  
To the Sugar Shack
