### Hair Body Face

Hair Body Face Your friends are in the other room  
Heard every cruel thing they said  
They're all just tryin' to be cool  
So I wrote this song in my head  
I'm not mad as long  
As I am perfect in your eyes  
Your eyes  
Doesn't make a difference yeah  
As long as I am perfect in your eyes  
Your eyes  
Cause baby when I look at you  
I just don't know what to do witchu  
A man loves a triple threat  
Did the party room just see that  
Hair body face for ya  
Triple threat  
To adore ya  
Hair body face for ya  
Triple threat Tryin' to leave here  
But you won't let me leave  
Sayin' that if I care what they think I'll never succeed  
I won't leave here if you promise to me  
I got the hair body face  
Hair body face for you  
Hair body face for ya  
Triple threat  
To adore ya  
For you  
Hair body face for ya  
Triple threat  
Triple threat Wasn't the "it" girl at school (not me)  
No I wasn't queen at the prom  
But don't take me for a fool  
Now I know I got my own charm  
I'm not mad  
As long as I am perfect in your eyes  
Your eyes  
Doesn't make a difference yeah

As long as I am perfect in your eyes  
Your eyesCause baby when I look at you  
I just don't know what to do witchu  
A man loves a triple threat  
Did the party room just see that?Tryin' to leave here  
But you won't let me leave  
Sayin' that if I care what they think I'll never succeed  
I won't leave here if you promise to me  
I got the hair body face  
Hair body face for youHair body face for ya  
Triple threat  
To adore ya  
For you  
Hair body face for ya  
Triple threat  
To adore yaEverything is alright way you look in my eyes  
You lift me when I feel small  
Triple threat I've got it all  
Everything is alright way you look in my eyes  
You lift me when I feel small  
Hair body faceTryin' to leave here  
But you won't let me leave  
Sayin' that if I care what they think I'll never succeed  
I won't leave here if you promise to me  
I got the hair body face  
Hair body face  
For you  
Hair body face for ya  
Triple threat  
To adore ya  
For you  
Hair body face for you  
Triple threat  
To adore ya  
For you  
Hair body face for you  
Triple threat  
To adore ya  
Oooo oooo ooo  
For you  
Hair body face for you  
Hair body face for you
