

# Heartbreak

## Jagged Edge

Can't take another heartbreak  
Why did you do the things you did  
Knowing that I love you so baby?  
Tell me why didn't you turn around and leave me  
Left me for dead baby  
Girl, you hurt me so, now, now I'm on my knees  
And baby I'm crying, tell me why  
And baby tell me why  
And why, yeah
