Hold On

Hot Chip

My only weapon was my pen
But I traded it for my hand
Not a smart move but my move
Does this say I'm a man?My only lesson was in my brains
But I traded them for my hand
Not a smart move, a repeat move

Does this put pay to our plan? Hey, hey

You'll never get to heaven if you don't give back

So give back a little twist if you wanna lend a handWait, wait

Don't leave before I'm finished if you do then that's rude

You may learn a little bit about those things you doI'm only going to heaven if it feels like hell

I'm only going to heaven if it tastes like caramel

Hold, hold, hold, hold on, hold on, hold on

Hold, hold, hold, hold on, hold on, hold onSir, I've a good mind to take you outside, outside Sir, I've a good mind to take you outside, outside, outsideMy only weapon was my pen

But I traded it for my hand

Not a smart move but my move

Does this say I'm a man?My only lesson was in my brains

But I traded them for my hand

Not a smart move, a repeat move

Does this put pay to our plan? Hey, hey

You'll never get to heaven if you don't give back

So give back a little twist if you wanna lend a handWait, wait, wait

Don't leave before I'm finished if you do then that's rude

You may learn a little bit about those things you dol'm only going to heaven if it feels like hell

I'm only going to heaven if it tastes like caramel

Hold, hold, hold, hold on, hold on, hold on

Hold, hold, hold, hold on, hold on, hold onSir, I've a good mind to take you outside, outside, outside

Sir, I've a good mind to take you outside, outside, outside

Girl, I've a good mind to take you outside, outside, outside

Girl, I've a good mind to take you outside, outside, outsideI'm only going to heaven if it feels like hell

I'm only going to heaven if it tastes like caramel
