

# I Believe in You

**Bob Dylan**

They ask me how I feel  
And if my love is real  
And how I know I'll make it through  
And they, they look at me and frown  
They'd like to drive me from this town  
They don't want me around  
'Cause I believe in youThey show me to the door  
They say don't come back no more  
'Cause I don't be like they'd like me to  
And I, I walk out on my own  
A thousand miles from home  
But I don't feel alone  
'Cause I believe in youI believe in you even through the tears and the laughter  
I believe in you even though we be apart  
I believe in you even on the morning after  
Oh, when the dawn is nearing  
Oh, when the night is disappearing  
Oh, this feeling is still here in my heartDon't let me drift too far  
Keep me where you are  
Where I will always be renewed  
And that which you've given me today  
Is worth more than I could pay  
And no matter what they say  
I believe in youI believe in you when wintertime turns to summer  
I believe in you when white turn to black  
I believe in you even though I be outnumbered  
Oh, though the earth may shake me  
Oh, though my friends forsake me  
Oh, even that couldn't make me go backDon't let me change my heart  
Keep me set apart  
From all the plans they do pursue  
And I, I don't mind the pain  
Don't mind the driving rain  
I know I will sustain  
'Cause I believe in you
