A Sua

Raimundos

Time has turned this lie to true
All the things I've done I did to you
But I'm tired to live my life this way
And some day I'll say the things I got to say
I'm tired of belleving in you, girl
I tried to believe in you
Cause you're so close to my mind (x2)
And I don't know exactly why
But I've forgotten how to live
The reason that changed my life
And you know better than anyone
That I wanted you 'till the end
But my feelings doesn't make no difference now
It's hard to understand
That I'm tired of belleving in you, girl...
