## Raimundos

Time has turned this lie to true  
All the things I've done I did to you  
But I'm tired to live my life this way  
And some day I'll say the things I got to say  
I'm tired of believing in you, girl  
I tried to believe in you  
Cause you're so close to my mind (x2)  
And I don't know exactly why  
But I've forgotten how to live  
The reason that changed my life  
And you know better than anyone  
That I wanted you 'till the end  
But my feelings doesn't make no difference now  
It's hard to understand  
That I'm tired of believing in you, girl...
