

# Crawl Home

## Desert Sessions

No more,  
It's done,  
Crawl home,  
Get gone,  
Your love,  
Is evil,  
Lonesome,  
My bones[Chorus]  
Took me such a long time to figure it out,  
Now is it too late, I can't do without,  
Took me such a long time to figure it out,  
Don't take it away, away, ohSnowstorm,  
My heart,  
Crawl home,  
Your love,  
Is evil,  
And lonesome,  
Just get more,  
When you've dared[Chorus: x2]
