Don't Worry

Joel McCray

Eh, wassup?
You haven't been talkin' to me for a couple of days
But it's all good
I just wanted to let you know that
I know, I do some things that's wrong
You do some things that's wrong
You know what I'm sayin'? We ain't perfect
We all make mistakes, nah nah nah, hold on, hold on
I'm talkin' to you
Don't just be tryna leave and stuff like that
I'm talkin' to you
I'm tryna make things better for me and you
Just me and you, ooh Chingy
Don't matter what we go through
Just me and you
We don't need nobody else
Just me and you, ooh Chingy
I'ma always be down for you
Just me and you
So don't worry 'bout a damn thang, oh
Now that we together girl the light's so bright
It took a lil' time but now the feelin' is so right
Remember when I snuck through your window at night?
Bringin' you flowers and candy, me and you sippin' on brandy
Plus I appreciate the love on sight
Huggin' me, holdin' me, fix dinner, so polite
Even when them stupid pigs was tryna sue me
Forget about friends and family, you the one that knew me
The way you smile at me, keep me feelin' alright
This ain't about furs, fancy cars or ice
So I'm dedicatin' this to my female friend
Sincerely yours, words can't express my feelings within
Just me and you, ooh Chingy
Don't matter what we go through
Just me and you
We don't need nobody else
Just me and you, ooh Chingy
I'ma always be down for you
Just me and you

So don't worry 'bout a damn thang, oh
We human so we gon' fight and fuss at each other
He told me you trippin' but girl don't worry 'bout my brother
We have a argument, it drive me to go out
You my flesh, so me and another woman won't bout
I'm thinkin' bout the times when you flew to my house
Gonna give you everything you want, this man ain't a mouse
Am I cheatin'? Hell naw, hope you got no doubts
Rose petals in the tub, baby, unbutton that blouse
Wait, better yet, come on you hungry? Let's eat at Mr. Chow's
Know you love me when you mad, you don't get loud
So I'm dedicatin' this to my female friend
Sincerely yours, words can't express my feelin' within
Just me and you, ooh Chingy
Don't matter what we go through
Just me and you
We don't need nobody else
Just me and you, ooh Chingy
I'ma always be down for you
Just me and you
So don't worry 'bout a damn thang, oh
I like your style, your grace, your beautiful face, your essence
Your size, your shape, this beautiful place, a blessin'
Your weight, your waist, your delicious taste, perfecting
Your height, your sight, with my life as your protection
So sweet like candy, let's raise a family in Miami
Where the beach so sandy, toast two
Champagne glasses, you and me
Your scent, like the smell of fresh air of relief
And for you I go over my budget, no, I ain't cheap
Can't stop grindin 'til I get every record to the top
Just know that you on my mind every second on the clock
Tick tock, if you ever need help, scream
And I come runnin' for my life to trade it in for your dreams
Just me and you, ooh Chingy
Don't matter what we go through
Just me and you
We don't need nobody else
Just me and you, ooh Chingy
I'ma always be down for you
Just me and you
So don't worry 'bout a damn thang
Just me and you, ooh Chingy
Just me and you
Just me and you, ooh Chingy

Just me and you
