

Hang On St. Christopher

Rod Stewart

(Tom Waits) Hang on St. Christopher
Through the smoke and the oil
Pumpin' iron around the scene
Let the radiator boil
Got no back down shift
And a two dollar grill
Got an '85 cab
on an '85 hill* Hang on St. Christopher
On the passenger side
Open it up tonight
So the devil can ride Hang on St. Christopher
With a ballast door
Kick me up ...
Throw me out in the fog
Tell ... Jack ...
Drive a stake through his heart
Do a hundred on the grapevine
Do a jump on the start Hang on St. Christopher
Now don't let me go
Get me to Reno
And bring it in low, low Hang On St. Christopher
With the hammer to the floor
Put a highball in the crankcase
Nail a crow to the door
Give me a bottle for the jockey
Give me a two ...
There's a certain ...
Bustin' down Johnny's door(*Repeat) Let the devil ride
Let the devil ride
Let the devil ride Hang On St. Christopher
Now don't let me go
Get me to Reno
Got to bring it in low
Put my baby on a flatcar
Tell 'em to burn down the caboose
Get 'em all jacked up with whiskey
And we'll turn the mad dog loose(*Repeat) Let him ride, let him ride
Let him ride, let him ride
Let him ride, let him ride Hang on St. Christopher

Through the smoke and the oil
Get me to Reno
And bring it in low, low ...
