

Ever Fallen in Love (With Someone You Shouldn't've

Buzzcocks

You spurn my natural emotions
You make me feel I'm dirt and I'm hurt
And if I cause a commotion
I'll only end up losing you and that's worse
Ever fallen in love with someone
Ever fallen in love, in love with someone
Ever fallen in love, in love with someone
You shouldn't have fallen in love with
I can't see much of the future
Unless we find out what now just what's to blame
And we won't be together much longer
Unless we realize that we're all the same
That's what I'm saying
Ever fallen in love with someone
Ever fallen in love, in love with someone
Ever fallen in love, in love with someone
You shouldn't have fallen in love with
You spurn my natural emotions
You make me feel I'm dirt and I'm hurt
And if I cause a commotion
I'll only end up losing you and that's worse
My friend
Ever fallen in love with someone
Ever fallen in love, in love with someone
Ever fallen in love, in love with someone
You shouldn't have fallen in love with
Did you ever fall in love?
Did you ever fall in love?
Did you ever, did you ever did you ever?
Did you ever fall in love?
Did you ever fall in love?
Did you ever, did you ever, did you ever?
