

# Nightingale

## Low

Sunrise and I see her eyes  
Oh, why'd you come, and oh, why?  
Eternally break the spell  
I try to tell, but I don't Oh nightingale, oh nightingale  
Oh nightingale, don't you cry So sad and my eyes go dead  
So red, so empty, so red  
You smile I chase my tail  
You laugh like hell, but I don't Oh nightingale, oh nightingale  
Oh nightingale, don't you cry  
Don't cry, don't cry, don't cry Oh nightingale, oh nightingale  
Oh nightingale, oh nightingale  
Oh nightingale, oh nightingale
