Crazy Juliet

Sandra

You
You were my everything
You laid the foundation
Of my lifeWhile
I'd been stranded in notions
You handled emotions
By my sideYou said, Take a seat
Tell you 'bout a golden ring
Married people lack emotion
Love is just a fight"Crazy Juliet here I come again
Let's have fun tonight
And everybody needs somebody
Crazy Juliet
The time of your lifeYou
You have been lost an' found
I traveled the ocean
Well, you knowNow
There is a time for devotion
My heart is in motion
Like beforeI say, Watch the bride
Juliet's got a golden ring
I don't need no invitation
Coming late at nightCrazy Juliet here I come again
Let's have fun tonight
And everybody needs somebody
Crazy Juliet
The time of your lifeCrazy Juliet here I come again
Let's have fun tonight
And everybody needs somebody
Crazy Juliet
The time of your lifeCrazy Juliet here I come again
Let's have fun tonight
And everybody needs somebody
Crazy Juliet
The time of your lifeCrazy Juliet here I come again
Let's have fun tonight
And everybody needs somebody
Crazy Juliet
The time of your lifeCrazy Juliet here I come again

Let's have fun tonight
And everybody needs somebody
Crazy Juliet
