You

James Tucker III

You By: James Tucker III

Intro:
You see me... I don't have music(it's LIFE.) Not at all.Â
Aye this one, more like all of 'em
This come from the Holy Ghost
But this my heart.Â
Ah man. I love every part.
It's a whole. Yes. Jesus.Â

Verse 1:
Jesus... You became the lover of my life
You the reason that I got a wifeÂ
At first I didn't understand like seek He firstÂ
but every time like me get hurt nobody showed it was He first.Â
He say James Imma make you a seed
you need to be in dirtÂ
Okay let me convert
You would think I would need a church
But Lord even the church is hurt
Cuz Lord You know I see the hurt
More in light I see the worth
One day imma leave this earth(for real)

Freed me from these demons curse
Gave me His LIFE to live
Washed a felon with many felonies that's how Jesus isÂ
Okay my redeemer lives. Back to the seed
I'm proof the seed grew and Lord I owe it all to nobody but...

Chorus:
You!
Who got me out those situations
You!
Who's forever patient
Oh it's You!
I gotta show You that I love...

You!
Who never turned they back on me
You!
Jesus
Oh it's You!
I gotta show You that I love...
You!

Verse 2:
Lord, I got so many memories(I got so many memories)
That's the proof You remember me(that's the proof You remember me)
Lord I was in darkness(Lord I was in darkness)
So dark that I couldn't see
He gave me food but I wouldn't eat
Had the money but You was free
I was too busy loving meÂ

You got me out the situation
Gave me inspiration
Need a revelation
Get illuminated don't you keep 'em waiting(don't you keep 'em waiting)
But some wanted motivation
Come on bro I'm so over faking
Come on bro I'm so over hating
Got the Word like no more wastingÂ
With worship I'm so impatientÂ

Cuz I gotta get His praises out my belly y'allÂ
I'm chosen now
But from the womb I was calledÂ
Jesus
He got the name that's above them all
Even when I'm having trouble
Lord imma still call...

Chorus:
You!
Who got me out those situations
You!
Who's forever patient
Oh it's You!
I gotta show You that I love...

You!

Who never turned they back on me
You!
Jesus
Oh it's You!
I gotta show You that I love...
You!

Verse 3:
I took a bath and took a bath y'all and still was dirty
Couldn't get me clean for nothing
Y'all I ain't worthyÂ
He so much better than me I would've been like "Father he ain't worth it"
And I went crazy about that thangÂ
He shedded His blood on purposeÂ

While some stuck trying to have serviceÂ
He teach me to live His servantÂ
You know they say God is good
But to me y'all that's misunderstood
God is God and I am odd
You know the number 3

To get even that's not my job
James leave that all to meÂ

Y'all the rings around the tub
They couldn't even stayÂ
This time I got washed up in that bloodÂ
y'all with no delay
Even my sins was because of Love either way He's gonna have His wayÂ
Lord nothing can take the place of...

Chorus:
You!
Who got me out those situations
You!
Who's forever patient
Oh it's You!
I gotta show You that I love...

You!
Who never turned they back on me
You!
Jesus

Oh it's You!
I gotta show You that I love...
You!
