fountain

iamamiwhoami

What lies beyond the fringe of the woods?
Dust to dust so we leave for good
When all has gone to blazes I start to run
Until I find places where nobody's goneNo more weight on your conscience
With ease I go back to the startSurge like a fountain, like tide
â€¨And swallow the bleed
Flows like a fountain inside
â€¨Gather force from the sea
Riding this giant wave untied
Let it wash me cleanCrawling through deafening cold
Turning head there's no sight of home
Though my body's achingâ€¨ we have to push onâ€¨
For every stride a new line is drawnSurge like a fountain, like tide
â€¨And swallow the bleed
Flows like a fountain inside
â€¨Gather force from the sea
Riding this giant wave untied
Let it wash me cleanFrom watching eyes â€¨I blindly rove
â€¨To guard my storiesâ€¨ and find new goldRiding this giant wave untied
Let it wash me cleanWhat lies beyond the fringe of the woods?
â€¨Dust to dust so we leave for good
