

Pretty Mary K (New Moon Version)

[Elliott Smith](#)

Almost forgot
Started to say
Rode into the sun
Past everyone
Hallelujah, pretty Mary K I found faith in the infirmary
There's a soldier lying in bed
With a wound to the head
Calling out to pretty Mary K Here's what you get for things that haven't happened yet I happened upon pretty
Mary K
But a soldier's uniform waved you away
I walk round the dock and talk to St. James
Though I'm already done
