

In Your Park

Scorpions

In the night there is
A gentle voice of silence
So low and quiet
She'll catch me 'cause I've been longing.

I want to walk in your park
'cause I'm alone,
I want to walk in your heart
Where are you? I don't know

I look around and see
The sunshine in the morning.
(Shadows in the night
Like angels by your side in the alley)

On my journey I change the time,
Leave everything behind me.
(Shadows in the night
Like angels by your side in the alley)

I want to walk in your park
'cause I'm alone,
I want to walk in your heart
Where are you? I don't know

Let me walk, let me walk in your heart!
