Ain't It Amazing

Don Williams

I've never had a face you'd notice
The world never took much notice of me
I've never been good at conversation
I was too busy tripping on my own feetI've never had grand illusions
Love was always for someone else
But in a world, so few surprises
There's still a few surprises leftAin't it amazing, that miracles happen
Ain't it amazing, you can still find your dream
Ain't it amazing, it all comes true
When someone like you can happen to someone like me
So hold me now so warm beside you
Let me stay forever near
Sometimes I think I'm only dreaming
But I wake up, you're still here
Ain't it amazing, that miracles happen
Ain't it amazing, you can still find your dream
Ain't it amazing, it all comes true
When someone like you can happen to someone like me...--- Instrumental to fade ---
