

Blood On Blood

Bon Jovi

I can still remember when I was just a kid
When friends were friends forever and what you said was what you did
Well, it was me and Danny and Bobby we cut each other's hands
Held tight to a promise only brothers understand But we were so young
(So young)
One for all and all for one
(For one)
Just as sure as the river's gonna run Blood on blood, one on one
We'd still be standing when all was said and done
Blood on blood, one on one
And I'll be here for you till kingdom come
Blood on blood Well, Bobby was our hero 'cause he had his fake I.D.
When I got busted stealing cigarettes Bobby took the rap for me
Well Danny knew this white trash girl we each threw in a ten
She took us to this cheap motel and turned us into men When we were so young
(So young)
One for all and all for one
(For one)
Just as sure as the river's gonna run Blood on blood, one on one
We'd still be standing when all was said and done
Blood on blood, one on one
And I'll be here for you till kingdom come
Blood on blood Now Bobby, an uptown lawyer Danny, a medicine man
And me, I'm just the singer in a long haired rock 'n' roll band
Through the years and miles between us it's been a long and lonely ride
But if I got that call in the dead of the night, I'd be right by your side Blood on blood, blood on blood
Just that blood
Blood on blood, blood on blood Blood on blood, one on one
We'd still be standing when all was said and done
Blood on blood, one on one
And I'll be here for you till kingdom come
Blood on blood, yeah Blood on blood, blood on blood
Blood on blood, blood on blood
Blood on blood, blood on blood
