

Butterfly Caught (Remastered)

Massive Attack

We lust for honeysuckle
Strangers
Life's trawl pages
Pick thin thing
Tempted by the naked eye
Morning sunrise I want air
Need it like a supplicant
Darkened skin
Afraid to see
Radiate open lips
Keep smiling for me Darkened skin
Afraid to see
Radiate
Open lips
Keep smiling for me We lust called honeysuckle
Let's get freckles
I can't take
Tranquilize
On my lips
Under your feet

Songwriters
