Dreamer

My Favorite Highway

The clothes on the floor
Don't know the mess in this world surrounds you
Where everything is broken.
But if you could just find a way to believe,
Would you believe?Cause everything is falling,
Everything is falling,
When you gonna pick up these things around you?
And you don't even notice
You haven't gone unnoticed.
Could you believe?
Would you believe?Whenever you're lost you'll find me
Cause everyone needs somebody
Baby, I know you're afraid I'm a leaver
But I'm in the fight here,
Stay, I'm a dreamer
If ever your heart is blinded
Whatever was lost, you'll find it
Baby, I know you're afraid I'm a leaver
But I'm in the fight here,
Stay, I'm a dreamerYeah, yeah, yeah, yeah
[Yeah, yeah, yeah, yeah]I can see light shine through
As time heals the wounds around you
When everything was broken.
But somehow you just found a way to believe,
A way to believeSometimes you gotta fall down,
Babe, you gotta fall down,
Before you can get up and walk around it
And then you're gonna notice
What you never noticed
'Til you believe.
Do you believe?Whenever you're lost you'll find me
Cause everyone needs somebody
Baby, I know you're afraid I'm a leaver
But I'm in the fight here,
Stay, I'm a dreamer
If ever your heart is blinded
Whatever was lost, you'll find it
Baby, I know you're afraid I'm a leaver
But I'm in the fight here,

Stay, I'm a dreamerI stand in the middle of it
Just looking at you
Yeah, yeah
I stand in the middle of it all
Just looking at you
Here's looking at you, kid.Whenever you're lost you'll find me
Cause everyone needs somebody
Baby, I know you're afraid I'm a leaver
But I'm in the fight here,
Stay, I'm a dreamer
If ever your heart is blinded
Whatever was lost, you'll find it
Baby, I know you're afraid I'm a leaver
But I'm in the fight here,
Stay, I'm a dreamerYeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeahBaby, I know you're afraid I'm a leaver
But I'm in the fight here,
Stay, I'm a dreamerI stand in the middle of it all
Just looking at you
Here's looking at you, kid.
