Look what you've done

Alex Hepburn

I can borrow, if you've got the time
I never needed anybodys help to make up my mind
Won't be here long enough to stand out
You're on fi-fire till everybody finds out
Look what you've done, done to my head
Look what you've done, look what you've done
Done to my head, you've got me
Maybe I will, maybe I won't
And maybe I can't but God only knows
Won't be the puppet strings you hold on
Come tomorrow, it's a sign of the times
It's coming down now shelter won't save you my friend
So, sit down till you learn and sit down till you grow
You mi-mi-might turn if you'd only let yourself go
Look what you've done, done to my head
Look what you've done, look what you've done
Done to my head
Maybe I will, maybe I won't
And maybe I can't but God only knows
Won't be the puppet strings you hold on
I see you depend over and over on logic I can't understand
Who kept you floating, my friend?
Kept your head above water, rough seas hit you harder
I should have just let you drown
Maybe I will, maybe I won't
Maybe I can't, but God only knows
Won't be the puppet strings you hold on
Maybe I will, maybe I won't
Maybe I can't, but God only knows
Won't be the puppet strings you hold on
Hold on, hold on, hold on, hold on, hold on
Hold on, no no
Look what you've done
