

Cowgirl In The Sand (neil young cover)

City and Colour

[Originally by Neil Young]Hello cowgirl in the sand

Is this place
at your command
Can I stay here
for a while
Can I see your
sweet sweet smile
Old enough now
to change your name
When so many love you
is it the same?
It's the woman in you
that makes you want
to play this game.
Hello ruby in the dust
Has your band
begun to rust
After all
the sin we've had
I thought we'd
might turn back
Old enough now
to change your name
When so many love you
is it the same
It's the woman in you
that makes you want
to play this game.
Hello woman of my dreams
This is not
the way it seems
Purple words
on a grey background
To be a woman
and to be turned down
Old enough now
to change your name
When so many love you
is it the same

It's the woman in you
that makes you want
to play this game.
