Paralyzed

Lisa's Hotcakes

Kata-kata dari mulutmu memang berbahaya
Kau permainkan oh hatiku dengan berbagai cara
Mata, bibirmu sentuhku sampai ku tak bersuara
Lihat arogansimu, ku malah lemah tak berdaya
Kau pikirku mudah bagimu
Namun bersamamu tabu bagiku
(Chorus)
Now baby boy listen to me, boy show me
How you're gonna get me paralyzed
This is me now tell me
When you're gonna get me paralyzed
This is me, boy get me

How you're gonna get me paralyzed
Imma let you slide
Cuz I wont lie, I want you to get me paralyzed
How you're gonna get me paralyzed
When you're gonna get me paralyzed
How you're gonna get me paralyzed
Are you gonna get me paralyzed
Oh kau bawa aku lagi sampai ku hampir mati
Caramu kagumiku, kau kejar aku sampai mati
Memang ku kagumimu dari atas sampai hati
Tak perlu ku ragu, dari hati sampai kaki
