David Letterman

Norm MacDonald

Wouldn't it be nice, if I could be, David Letterman?
Wouldn't in be rad, if I could be, your favorite t.v. personality?
Wouldn't it be sweet, if I could laugh you to sleep,
five nights a week?
And I try as hard as I can,
but I could never be David Letterman...
I know he knows you look up to him,
but you don't visit his sleep,
I know I know this is what I missed, your eyes are just for me,

really don't see how we could be, I still put trust in fate,
it's something slow that I don't know so I say...
Wouldn't it be nice, if I could be, David Letterman?
Wouldn't in be rad, if I could be, your favorite t.v. personality?
Wouldn't it be sweet, if I could laugh you to sleep,
five nights a week?
And I try as hard as I can,
but I could never be David Letterman...
