

I'll Go Crazy If I Don't Go Crazy Tonight

U2

She's a rainbow and she loves the peaceful life
Knows I'll go crazy if I don't go crazy tonight
There's a part of me in chaos that's quiet
And there's a part of you that wants me to riot
Everybody needs to cry or needs to spit
Every sweet-tooth needs just a little hit
Every beauty needs to go out with an idiot
How can you stand next to the truth and not see it?
Oh, change of heart comes slow
It's not a hill, it's a mountain
As you start out the climb
Do you believe me or are you doubting?
We're gonna make it all the way to the light
But I know I'll go crazy if I don't go crazy tonight
Every generation gets a chance to change the world
Pity the nation that won't listen to you boys and girls
Is the sweetest melody the one we haven't heard?
Is it true that perfect love drives out all fear?
The right to be ridiculous is something I hold dear
Oh, but change of heart comes slow
It's not a hill, it's a mountain
As you start out the climb
You see, for me, I've been shouting
But we're gonna make it all the way to the light
But I know I'll go crazy if I don't go crazy tonight
Baby, baby, baby, I know I'm not alone
Baby, baby, baby, I know I'm not alone
Ha, ha, ha
Oh, it's not a hill it's a mountain
As you start out the climb
You see, for me, I've been shouting
Let's shout into the darkness, squeeze out sparks of light
You know we're gonna go crazy, you know we'll go crazy
You know we'll go crazy, if we don't go crazy tonight
Oh, slowly
Oh, hold me slow
