

Crazy Feels

Oh Pep!

You got to do what you have to do
to make it easy for you
easy for you
Just for you
easyThere's an ache in my chest
That I gotta get
come on out of me now
I gotta get it out now
gotta let it out
gotta let it out now
but I'm still, stillwhen the call comes
will you please take it
when you answer
please don't fake it
if you lose it
I can't replace it
can you live up to the expectation
I can't hear any hesitation
