

# Hypocritical Kiss

**Jack White**

Advisory - the following lyrics contain explicit language:

My temper got the best of me  
And when I said that I mean I know every single thing that I said was true  
And I know that you're mad at me  
But if you're thinking like that, I think you'll see that you're mad at you too  
And I know the feeling's strong  
Strong enough to forget about all that I've been through  
And it sounds obscene, but  
Loud words never bothered me like they do to you  
You're the boy that talks but says nothin'  
A big game to the ones that you think will believe you  
But you don't know how to read  
The look on my face when it says, yeah I've read that book too  
And who the hell's impressed by you?  
I want names of the people that we know that are fallin' for this  
You would sell your own mother out  
And then betray your dead brother with another hypocritical kiss
