Joy Division

Here, here
Everything is by design
Everything is by designHere, here
Everything is kept inside
So take a chance and step outside
Your hopes, your dreams, your paradise
Heroes, idols cracked like iceHere, here
Everything is kept inside
So take a chance and step outsidePure frustration face to face
A point of view creates more waves
So take a chance and step outsideTake a chance and step outside
Lose some sleep and say you tried
Meet frustration face to face
A point of view creates more wavesSo lose some sleep and say you tried
So lose some sleep and say you tried
So lose some sleep and say you tried
So lose some sleep and say you triedSay you tried
Say you tried
Say you tried
Say you triedSay you tried
Say you tried
Say you tried
Say you triedSay you tried
Say you tried
Say you triedYeah, lose some sleep and say you tried
Yeah, lose some sleep and say you tried
Yeah, lose some sleep and say you tried
Yeah, lose some sleep and say you tried
