

In the Name of God

Dream Theater

How can this be?
Why is he the chosen one?
Saint gone astray
With a scepter and a gun
Learn to believe
In the mighty and the strong
Come, bleed the beast
Follow me it won't be long
Listen when the prophet speaks to you
Killing in the name of God
Passion twisting faith into violence
In the name of God
Straight is the path
Leading to your salvation
Slaying the weak
Ethnic elimination
Any day we'll all be swept away
You'll be saved as long as you obey
Lies, tools of the devil inside
Written in Holy disguise
Meant to deceive and divide us all
Listen when the prophet speaks to you
Killing in the name of God
Passion twisting faith into violence
In the name of God
Blurring the lines between virtue and sin
They can't tell where God ends and mankind begins
They know no other life but this
From the cradle they are claimed
Listen when the prophet speaks to you
Killing in the name of God
Passion twisting faith into violence
In the name of God
Hundreds of believers
Lured into a doomsday cult
All would perish in the name of God
Self-proclaimed messiah
Led his servants to their death
Eighty murdered in the name of God
Forty sons and daughters
Un-consenting plural wives
Perversions in the name of God
Underground religion
Turning toward the mainstream light
Blind devotion in the name of God
Justifying violence
Citing from the Holy Book
Teaching hatred in the name of God
Listen when the prophet speaks to you
Killing in the name of God
Passion twisting faith into violence
In the name of God

In the name of God Religious beliefs, fanatic obsession
Does following faith lead us to violence?
Unyielding crusade, divine revelation
Does following faith lead us to violence?
