

Reconsider (Last Night Flavor Bootleg)

[The xx](#)

Remember me, I'm the one that's back from over
Time's gone by and I'm still so far from over
You reappeared like you had never been gone
I lose composure
You're touching me like you have no desire for closure
Reconsider Did you lie awake like I did
I stayed up 'til the stars didn't recognize me
So long
I waited so long
Now you don't see the skies that I do
My sun becomes your moon
For a familiar love
I am familiar love
