My First Seed

ScholarMan

(Opening dialogue)

1st Verse

Baby girl / my world / you are my heart soul / my motivation / what a blessings itâ€™s to see you grow / to see you smiling / hear your laughter in the background / protect you at all times / and never back down / by Gods grace I was blessed with your face / blessed with this place / providing you a stable estate / many things I want for you / but Iâ€™m able to wait / my patience is great / but nothing like the love at stake / I do my best to keep our bond strong / to keep our fam tight / but its hard / they donâ€™t know on what our fam like / the good times / bad times / trials, tribulations / regardless there is love involved and much patience

CHORUS X2

My first seed love you much indeed.
My first seed yes itâ€™s you I need.

2nd Verse

My main goal for you is to be the best father / the protector / provider / with love a lot of / when you were born / I became a new man / adjusted my plans / put a hold to worldly demands / every time I look into your eyes / I see the reasons why / I was put on this earth / you are my sweetie pie / you are my sunshine / my special Yum Yum / a better man you are helping me become one / a stubborn fool I was / before you came into / my little life / youâ€™re the reason I can make it thru / you are my motivation / you are my lifeline / the blood in my veins / crucial pipeline

CHORUS X2

My first seed love you much indeed.
My first seed yes itâ€™s you I need.

BRIDGE

CHORUS X3

My first seed love you much indeed.
My first seed yes itâ€™s you I need.
