

All By Myself

Daryl Hall

I can see the anger and I surely feel
All the passion, baby's gone astray
Why are we divided so dissatisfied?
Does it matter what we do or say?
And I can't see the wisdom never gonna give in
When the love is not so far away
I was hoping for more
And I'm still hoping for sure
Isn't anybody dreamin'? Oh
Isn't anybody thinking?
Or am I all by myself?
Isn't anybody teachin'? Oh
Why is everybody preachin'?
Am I all by myself?
Oh, am I all by myself?
Don't you feel it lately that you're the only one
Who can see through bitter lies right here?
Like everybody knows it, no one seems to care
As if there's something in the truth we fear
But aren't you hoping for more?
I'm still hoping for sure, oh baby
Isn't anybody dreamin'? Oh
Isn't anybody thinking?
Or am I all by myself?
Oh baby, isn't anybody teachin'? Oh
Isn't anybody hugging?
Or am I all by myself?
Oh, am I all by myself?
Am I all by myself?
Oh, am I all by myself?
Ooh, tell me, tell me, tell me, tell me
I was hoping for more
Ooh, I'm still hoping for sure
Isn't anybody dreamin'? Oh
Isn't anybody thinking?
Or am I all by myself?
Oh baby, isn't anybody teachin'? Oh
Why is everybody preachin' me now?
Or am I all by myself?

Am I all by myself?
Am I all by myself?
Come on everybody teach it with me
Am I all by myself?
Oh, am I all by myself?
Come on everybody dream it with me, oh yeah
Am I all by myself?
Don't wanna be all by myself
Come on, baby
